TO THE WHEEL.

The big round dollar wheel—roll it along—roll as many as possible into the SAV-INGS DEPARTMENT of this strong corporation where they will work day and night for you, earning 3 PER CENT. INTEREST compounded. Desiring to give the best possible advices we most earnestly advise you to save. Place yourself in a position to take advantage of a good opportunity when offered. To do this you must first of all deny yourself (not those dependant upon you) and SAVE MONEY. Little by little, but steadily, see the account increase and some day you will look upon the amount accumulated and be able to say you actually saved that money AND SAVED IT OUT OF YOURSELF. You should then watch for the opportunities that a e offered in this day of extraordinary commercial and other developments and invest the fund wisely and cautiously. Think this over today—ONE DOLLAR will start yous owly not begin at once. We invite you to call and talk this matter over with our officials.
